

November 28th, 2016

Rovereto, Italy

With this letter, I, Andrew Ahrager, President and CEO of Geodynamics Worldwide affirm that PBG Geophysical Exploration Ltd, with head office at 03-301 Warszawa, Poland, participated, as a subcontractor of Geodynamics Worldwide srl, to the field acquisition of the following passive seismic survey project in Poland:

- Client: PGNIG - Polskie Górnictwo Naftowe i Gazownictwo
- Agreement: ZP/270/GE/15 "Acquisition, processing and interpretation of seismic data by the passive seismic method in the area of LMG", signed on 15.09.2015

Field Acquisition was carried out in the area LMG in the period 22.10-01.12.2015.

For the record and the appropriate purposes, I sign this letter and I remain at disposal to clarify any questions or provide more information.

With best regards
Andrew Henry Shrager
