Re: PolandSPAN EMT contract

To whom it may concern:

GX Technology Ltd. / ION Geophysical GeoVentures hereby certifies, that PBG Geophysical Exploration Ltd. completed our order. This consisted of (109+66 soundings; 108 km), geophysical audio-magnetotelluric MT/AMT investigations including broad-band MT/AMT soundings. Preprocessing, final data processing and geophysical interpretation were also included and completed as part of the agreement.

The work has been executed with a high professional standard, as well all of the terms and requirements of the contract were fulfilled.

If you have any further questions, please do not hesitate to call me at either number below.

Sincerely,
